ABOUT US

Cosmetic Dermatology at **South Shore Skin Center** offers the highest level of personal, individualized skincare in both our **Norwell** and **Plymouth** offices. Founded in 1984, South Shore Skin Center also operates innovative dermatology practices at both locations that feature advanced medical dermatology services and Mohs Surgical Units for skin cancer. The South Shore Skin Center team of physicians, physician assistants, nurse practitioners, medical assistants, and medical estheticians are all dermatology experts who share a passion for excellence and a commitment to providing the highest level of dermatologic care to people of all ages.
